

Dear Sir or Madam:

I'm seeking a three-month or six-month internship starting the summer of 2017 and am interested in the position of Mobile QA Co-op. A position at Runkeeper appeals to me because of my strong interest in mobile technologies. I've been working with C++ for over two years and have experience with the Boost libraries. Additionally, I have experience in Ruby, Python and Javascript.

I'm excited about working on software that will be delivered to customers, and believe that my skills and interests would be well utilized at your company. I look forward to talking with you further about internship opportunities at Runkeeper. Thank you for your consideration.

Sincerely,
Zachary Krausman
