Dear Sir or Madam:

I'm seeking a three-month or six-month internship starting the summer of 2017 and am interested in the position of Web Applications Developer Intern. A position at Dassault Systèmes appeals to me because of my strong interest in web development. I have experience in C++, Javascript, Java and Python.

I'm excited about working on software that will be delivered to customers, and believe that my skills and interests would be well utilized at your company. I look forward to talking with you further about internship opportunities at Dassault Systèmes. Thank you for your consideration.

Sincerely,
Zachary Krausman
